Auto Loan Payment History

Keep good records of all payments made on your auto loan. You should note the date payment was made, the method of payment, such as check #/bank, money order, automatic withdrawal, etc., any additional payments and the date the payment was posted to your account.

Keep all payment receipts with your auto loan payment history. *Sometimes the bank makes an error*. Good records can help correct any errors on your account.

Year_____Make_____Model_____VIN#:_____

Lender Name_____Monthly Payment_____Term of Loan _____Payment Due Date_____
